The mission of *Scripps-Corbett Award* winner, **ballet tech cincinnati**, is to educate, entertain and inspire by providing diverse and innovative programming that has a phenomenal community impact. Founded in 1997, **ballet tech cincinnati** is a non-profit 501 (C) (3) organization that offers community dance classes and presents community performances in its Kennedy Heights World Headquarters. **ballet tech cincinnati** opened its ninth Season Series of major dance programs as a resident company at the Aronoff Center and presents a couple dozen community performances each year to provide Greater Cincinnati with a new venue for high quality dance performances featuring pre-professional and professional dancers featuring classical and contemporary repertoire, folk dances and a wide variety of artists, dance styles and music. **Dance 2 Community Kids** community outreach program engages sponsor companies and individuals to partner with us to introduce youth from underserved communities to dance and the Aronoff Center to expand the audience for the arts and downtown Cincinnati venues. Over 1500 children have attended ballets in this outreach. Each year, the *Leaping for Literacy Project* includes a spring production based on beloved children's stories to entertain families with children of all ages. This project also includes Touring Company performances in area schools, free outreach performances in area libraries and bookstores, a poster and poetry contest, and a book giveaway to promote family literacy. Last season, we served over 15,000 audience members. We have the most diverse audience of any Cincinnati area presenter, and we are the only company that presents guest companies, an international Gala, and preprofessional dancers as part of our season series.
